

## **This week**

Last week members of the WCAT core team conducted a Behaviour, Attendance and Safeguarding audit in the academy. During the audit they went into every class in the school, spoke to children from all of the classes and held meetings with different members of staff and governors. We are waiting for the final written report but in the verbal feedback they stated that they were really impressed with the children's behaviour throughout the school; which they stated was good moving towards outstanding. They were also really impressed with their speaking and listening abilities.

**We are looking forward to a successful first week back.**

## **Attendance**

We would like to say a massive "Congratulations" to all of the children in Year 4 HM for their weekly attendance figure of 100% meaning every child was in school every day last week.

Overall the attendance figure for the school for the week was 97.2% which is a huge improvement and we would like to thank all of the parents who have supported us to achieve this. We would also like to say thank you to the parents who attended the meetings last week—it is lovely to see that you place a great deal of importance on this matter too.
