No. 60 Tuesday 2nd May

Last week

We have had a lovely start to the new term last week and the children all settled quickly back into the school routines and their new themes, obviously really enjoying the new learning environments. I would like to take this opportunity to thank all of the staff members who have worked really hard over the break to ensure that the classrooms look amazing and reflect this term's theme "Explorers".

We are really looking forward to the Summer term and all the exciting events that it brings; including sports day, class assemblies and the Years 5 and 6 production.

We hope you have a great week.

Year 6 National Curriculum Tests

We would like to wish all of our pupils in Year 6 the very best of luck in their National Curriculum tests that start on Monday 8th May. As a school we are very proud of all the children and the attitudes that they demonstrate towards each and every learning opportunity.

During next week we want them to ensure that they get a good nights sleep each night, stay calm and just do their best.

In order to help you during the week we will start each day by providing a breakfast for every child and we would therefore ask that all of the children come into school at 08.45 prompt please because this gives us time before they start the test to provide breakfast.

Yr 2: 93.8%
Yr 3: 95.4%
