

3 April 2018

Dear Parent/Carer,

As of 1 April 2018, High Crag joined Tauheedul Education Trust (TET).

We would like to thank you for your input and feedback throughout the rebrokerage process. We have listened carefully to what pupils, parents, staff, stakeholders and the local community have said. We have formulated our plans for the future of High Crag in light of this feedback and will continue to do so.

The academy will be known as **High Crag Primary Leadership Academy**. We know that parents wanted to retain the High Crag name. Part of TET's successful educational model is that its schools should be at the heart of their local communities. The choice of name for the academy is a clear signal from TET as sponsors that this will continue to be the case for High Crag. The inclusion of the word "leadership" in the academy's name is also important. It reflects TET's commitment to creating opportunities for all High Crag pupils to benefit from experiences that will build the leadership skills (in their broadest sense) that will set them on track for success in their future careers and in their lives outside school and work. We hope you will agree that the name both respects the past and our history and heritage in the local community whilst at the same time giving a very clear message that we are looking forwards to a bright future.

We have no doubt that the academy will benefit considerably from having ready access to the expertise, approaches and support that have enabled TET to deliver outstanding results elsewhere in the country and that our ongoing collaboration will create more opportunities for improved outcomes for our pupils.

High Crag Primary Leadership Academy will adopt TET's vision – **Nurturing today's young people, inspiring tomorrow's leaders**. It will also adopt the Trust **STAR values** – **Service, Teamwork, Ambition and Respect**. Over the coming months, we will be seeking your ideas on how we develop and embed the vision and values at the academy.

We very much hope that you will continue to support us on the journey to outstanding. A strong partnership with parents is critical to the success of the academy and its pupils and we look forward to working with you.

Yours sincerely,

Jo Cornelius
Principal
