

High Craggs Academy

Year 1 End of Year Expectations

This booklet provides information on the end of year expectations for all pupils in the year group.

Throughout the year all academy staff will be focusing on teaching these objectives and the more support you can provide at home the better.

If you have any questions or want to know how to help your child then please talk to your class teacher who will be happy to help.

Reading

- Recognise and join in with predictable phrases.
- Identify words that are repeated.
- Relate reading to own experiences.
- Re-read if the words do not make sense.
- Accurately re-tell the story.
- Discuss the significance of the title and events.
- Make predictions about what might happen based on the story.
- Make inferences on the basis of what is being said and done.
- Read aloud with pace and expression, i.e. pause at full stop; raising your voice for questions.
- Recognise capital letters, full stops, question marks, exclamation marks and ellipsis
- Know why the writer has used specific punctuation in a text.
- Know the difference between fiction and non-fiction texts.

Writing

- Write clearly demarcated sentences.
- Use 'and' to join ideas.
- Use conjunctions to join sentences (e.g. so, but).
- Use the standard forms of verbs, e.g. go/went.
- Introduce the use of capital letters, full stops, question marks and exclamation marks
- Use capital letters for names and the personal pronoun 'I'.
- Write a sequence of sentences to form a short narrative [*as introduction to paragraphs*].
- Write lower case letters correctly– finishing in right place.
- Write capital letters correctly.
- Write numbers correctly.

Mathematics

- Count to and across 100, forwards & backwards from any number.
- Read and write numbers to 20 in numerals & words.
- Read and write numbers to 100 in numerals.
- Say 1 more/1 less to 100.
- Count in multiples of 2, 5 & 10.
- Use bonds and subtraction facts to 20.
- Add & subtract 1 digit & 2 digit numbers to 20, including zero.
- Solve one-step multiplication and division problems using objects, pictorial representation and arrays.
- Recognise half and quarter of an object, shape or quantity.
- Sequence events in chronological order.
- Use the language of day, week, month and year.
- Tell the time using hour and half past.
