

- 
- Design, write and debug programs
 - Use sequence, selection and repetition in programs
 - Explain using simple algorithms

Year 6 - Autumn Term 2016

The World in Motion

“What would we include in an ethical circus?”

We will be learning to:

- Understand the role that circuses have had on history
- Compare and contrast circuses through time.

About the human circulatory system and the heart.

To recognise the impact of drugs, exercise and lifestyle on our bodies.

How nutrients and water are transported in animals and humans

- **Locate countries around the world using maps and atlases.**
- **Understand their environmental regions, key physical and human characteristics and major cities**
